

Linking professionals and businesses for the advancement of socio-economic well-being

2010 PHOENIX BALL PARTNER-RECIPIENT APPLICATION

Overview

CPB's mission is to link professionals and businesses for the socio-economic well-being of our community.

In October, 2009, CPB fundraised for our 3 partner organizations: Credit Valley Hospital, Trillium Health Centre, and the Yee Hong Centre for Geriatric Care.

Since its inception over 10 years ago, CPB has raised more than \$500,000 for worthwhile causes and charitable organizations at our annual charity fundraising gala - the Phoenix Ball.

As such, we are looking for potential partner-recipients for the 2010 Phoenix Ball.

Important Dates

March 1, 2010:	Application due date for potential recipients
March/April 2010:	Short-list of recipients determined
April/May 2010:	Qualifying Recipient(s) will be contacted for a formal presentation to the Board
October 2010:	Phoenix Ball Gala

Process

After the initial applications are received, a designated task-force comprised of CPB directors will recommend a short-list to the CPB board of directors.

At the board's discretion, the applicants on the short-list may be requested to give a presentation to the board of directors.

Once a list of applicants is recommended, they will be approved by the CPB Foundation and the approved applicant(s) will be notified.

Criterion

Recipient organizations will be evaluated by many factors, including need and relevancy to our mandate of linking professionals and businesses to promote socio-economic well-being in our community.

All decisions made by the board will be final.

Please be aware that we receive far more requests than we are able to support at one time, and that a decision not to support does not necessarily reflect on the merit of the request.

Submission

Please submit the completed application, by mail to:
